On August 19, 2017 Garden City Units were dispatched to a non-responsive person located at the 1300 block of Old Dean Forest Road. Upon Your Affiant arrival to the scene, I observed a male lying face down motionless. Officer Fuller checked the victim for a pulse however none was felt. EMS then arrived on scene and turned the victim over to check for vitals. It was at that time, Your Affiant was advised by EMS that the victim had a gunshot wound to the back of the head. Furthermore Your Affiant observed the victim's nose was broken and blood was all over his mouth and stomach. Your Affiant determined this would be a homicide investigation at that time.

Your Affiant then began photographing the scene. Your Affiant observed the victim appeared to be working on a large tree service work truck, and there was a silver older model Honda parked next to the work truck which was still running. Your Affiant had officers run the registration on the Honda and it returned to the Victim, Eliud Montoya. Your Affiant further noticed his current address was [REDACTED] which was within walking distance where the decedent was currently located.

While processing the scene, Your Affiant was advised the victim's mother was on scene. Your Affiant advised her of the current situation. Without hesitation she advised his boss killed him. She stated Pablo Rangel, whom is Eliud's boss recently had a falling out which lead to Eliud being suspended for three days. She specified the date of occurrence being 08/17/2017. She further specified that same day Eliud went to the Equal Employment Opportunity Commission to file a complaint on Pablo. She advised they had documentation at the house reflecting this information.

Your Affiant then drove to [REDACTED] where I personally met with Maria Montoya the victim's wife. Maria was very distraught when Your Affiant notified her of her husband's death. Your Affiant asked Maria if she suspects anyone whom may have wanted to harm her husband. Maria advised Your Affiant the same information Eliud's mother had just provided, with the sole exception of providing multiple documentations her husband had kept regarding the company. Maria also provided Your Affiant with a Manila Envelope with the heading of Equal Employment Opportunity Commission. Inside the Manila envelope Your Affiant observed four legal statements in which three were notarized by Eliud Montoya and the fourth having been written by Eliud. All four typed Documents advise they are all employees of Wolf Tree Expert and they are in the United States illegally. They advise for this very reason they are mistreated and taken advantage by their supervisor Pablo Rangel. They all advised they don't receive proper wages since Pablo keeps some of their money on a weekly basis. Furthermore they advise they bought several individuals identity's whom they did not know for \$1500 dollars. This was done so they could work in the US and obtain a paycheck. Armed with these documents Eliud met with agents of the EEOC.

Your Affiant then went back to the crime scene which was being processed by other detectives.

AFFIDAVIT AND APPLICATION FOR SEARCH WARRANT

Once on scene, Your Affiant observed the Chatham County Deputy Coroner Carol Green was on scene examining the body. It was at that time where we observed the victim was shot three times. Two of the rounds struck the victim in his back as well as a third round striking the victim in the back of his head. It was apparent from the evidence on scene Eliud was shot with a small caliber bullet possibly a .22 caliber bullet.

Your Affiant further determined the victim was wearing pajama pants and a T-shirt as well as flip flop shoes. The victim's cell phone was inside the work truck and his wallet was at home. It should be noted Your Affiant did not observe any defensive style nor offensive style wounds on the victim. Furthermore it did not appear the victim was killed as a result of a robbery since Eliud's vehicle was still on scene as well as nothing appearing to be missing.

After clearing the crime scene, Eliud's vehicle was transported to the Garden City Police Department to be forensically searched for any possible evidence. Inside his vehicle Det Reyes located a yellow composition notebook. Inside one of the pages Your Affiant reviewed the following written inside the notebook; Discharge by X_____ for 3 days for not signing a safe practice violation that wasn't true. Hey are always watching me because of a complaint I put on ways they let the Foreman treats their employees.

It was apparent this letter was written since 08/17/2017 since Your Affiant reviewed the document in question that Eliud was suspended for.

After gathering the facts related to this investigation, Your Affiant observed Eliud had filled a previous EEOC complaint on Pablo.

At 1900 hours, Joel Reyes came by the Garden City Police Department to be interviewed by Your Affiant. Joel was one of the males whom Eliud had paperwork accusing Pablo of Fraud. In the interview Joel advised everything written in his signed document to be true. Joel advised Pablo would indeed provide employees with Alias, social security numbers, and date of births so they could be added to the company payroll. Joel advised this was the reason Pablo did not want Eliud providing this information to anyone. Your Affiant asked Joel if he was surprised Eliud was dead. Joel advised he was not. He stated he told Eliud to leave Pablo alone since he was going to have him killed. Joel advised he didn't think Pablo could kill Eliud but he has family whom could kill him.

While Your Affiant was conducting a criminal History check on Pablo, it was brought to light that he has a nephew whom he lives with in Springfield Georgia. His name is Refugio Ramirez. Your Affiant reviewed a report from 2014 written by Savannah Chatham Metro Police Department CRN #141223011. In this report Refugio Ramirez was listed as a suspect. Refugio was arrested in possession of a concealed firearm. The firearm was listed as a .22 magnum SuperX pistol bearing serial number 244582. The caliber of said handgun matches that which was suspected to be used to Murder Eliud. It should be noted not only does Refugio work with the same company as the victim but he also lives in a trailer located on his uncles property located at 275 Milton Rahn Road, Springfield, Georgia. Eliud further has warrants out for his arrest through Chatham County Records court.

Your Affiant firmly believes enough probable cause has arisen to show Pablo is involved in the Murder of Eliud Montoya. Your Affiant Firmly believes the fruits of the crime due exist inside the residence located at 275 Milton Rahn Road.
